Education

B.Tech - IT

Chitkara University, Rajpura

2020 - 2024 | CGPA: 9.52

Sanatan Dharam Vidya Mandir, Panipat

Class 10: 90%

Class 12: 94.6%

Volunteer Experience

Emerging Leaders Resource Group,

Duck Creek Technologies

Core Team Member, E-Cell

Chitkara University, Punjab

Soft Skills

Content Writing

Team Collaboration

Adaptability

Communication Skills

Experience

Full Stack Developer Intern

Duck Creek Technologies | Jan 2024 - June 2024

- Developed a Java-based framework for enhanced log retention and visibility
- It standardized logs and centralizes it over Splunk Cloud using Azure Event Hub
- Refactored the framework from synchronous streaming of logs to asynchronous resulting the log streaming in one-fifth time.
- Created tailored alerts and notifications, resulting in reduced incident response time
- Performed Junit Testing of the framework
- Used React JS and Bootstrap to create the Art Gallery Web App.

Projects

Art Gallery - Web App

A react app built with bootstrap which uploads and retrieves images and metadata using Java and Azure Blob Storage

Portfolio Website

Portfolio website developed over React over Bootstrap

Pawn Shop Website

A Pawn Shop frontend website implemented using bootstrap to sell and buy antique things

Pun Fun - Chrome Extension

Created a chrome extension using CSS and JavaScript using third party API

Chatbot

A react application integrated with OpenAI to chat with the user
